

Cody Burns Riley

June 21, 1995 - May 18, 2026

CODY BURNS RILEY, AGE 30

And a resident of Bogalusa passed away Monday afternoon May 18, 2026 at Our Lady of the Angels Hospital. He was born in Covington, Louisiana on June 21, 1995, weighing one pound eleven ounces. The doctor said he wouldn't make it through the night, but Cody defied the doctors. With the grace of God and the love and care of his parents, Allen and Jackie Riley, aunt and uncle Kacey and Kevin Singley and his grandmother, the late Linda Burns Barber, Cody was blessed to live 30 years and 11 months. He had a great sense of humor, always telling corny "Dad" jokes and picking with his family and friends. Cody enjoyed playing Call of Duty and other games on his X-box and he liked riding along on the 4-wheeler. He enjoyed listening to his favorite country music, especially Alan Jackson and Johnny Cash. Cody always liked to meet new people and after he had, even for just the first time, always remembered their names and the conversations he had. He will be forever missed by his family and loved ones.

“Cody had such a special soul and a wonderful sense of humor. One of my favorite memories is how he would always try to get me to show off my "special talent," looking at me and saying, "Wendi, burp!" He always got such a kick out of it. He brought so much laughter into our lives, and that's exactly how I will always remember him—smiling and bringing out the joy in everyone around him. Rest in peace, Cody. You are dearly missed.
