

Corey Devin Thomas

November 26, 1977 - September 26, 2024

COREY DEVIN THOMAS, AGE 46

And a resident of the Dexter, Mississippi Community passed away Thursday morning September 26, 2024 at his home surrounded by his loving family, following a courageous battle with cancer. He was a graduate of Columbia Academy, Class of 1996, where he played for the Cougars football team and won a State Championship his senior year with the Cougars baseball team. Corey worked off-shore as a crane operator for Ensco for a few years then began a long career with CN Railroad. During his 19 years of service, Corey worked as a crane operator with the bridge department and more recently served with the track and rail crew, among the many duties he performed through the years. Corey loved his work and especially the countless co-workers he served with across the country, including those in his current territory from Jackson, MS to Mobile, AL.

Corey's love of sports lasted his whole life. He was an avid Ole Miss fan and played Men's softball for many years with his buddies on the White Lightning and Turtle Heads teams. He also coached youth league baseball for a time. Corey earned the nickname "Chicken Man" during high school and it followed him the rest of his life, certainly on the railroads, ball fields and every hunting and fishing trip. He went on many successful deer and duck hunting trips in Kentucky, Illinois, Iowa and other areas. Corey also enjoyed fishing along the

Pearl River, including a recent special time with his father and son that created lasting memories. He enjoyed working outdoors on his property taking care of his cows and chickens, tending his flower gardens and even the new hobby of bee-keeping. Corey accepted the Lord as his Savior as a young man at Carson Springs Baptist Church and attended New Stateline Missionary Baptist Church. He always kept Christ first in his life decisions. Corey adored his wife and children and cherished every moment they spent together. He will be forever missed by all that knew him.
