“ Hi Margaret and Family,

My heart is breaking in Illinois right now, as I think you know how much I thought of Dale. While the time we spent working together out of the Houston brewery was only three years, the memories created with Dale & Carl Womack, through Frazier Trucking, are memories that will last a lifetime. The Frazier family took Jodee and I in like we were family. Dale and Carl truly became the brothers I never had. They worked so hard, never turned down a load, never said the word no. The little I could do in return, was buy them lunch once or twice a week at Luby's.

I'm so sorry I can't get away this weekend, as I have one major scheduling conflict through work. While my physical presence won't be there, my heart most certainly will.

While we sit down here and grieve over the loss of Dale, there is no doubt in my mind, that at this very moment, Dale & Mr. Willie Frazier are sitting up in heaven wondering why we are all spending time doing this stuff when there are loads that need to be hauled.

Love you all, please stay in touch!

“ I remember the day he walked into Bates Trucking and told Mr. Hugh Bates he wanted a job driving a truck, but he had no experience but he could learn. Mr. Hugh took a chance and Dale turned out to be a great and conscientious driver. He truly loved the trucking world and all his trucking buddies. It was a pleasure to work with him and get to know him as a true friend who I still value as being a good friend. I know Margaret as a very dear friend and know that she will truly miss her soulmate. My deepest condolences go the family in this time of sorrow. May God bless you and keep you in his embrace.
