DALTON BRYCE HODGES, AGE 29

A resident of Lucedale, MS passed away Monday afternoon September 15, 2025, at Riverside Medical Center. Dalton was a 2015 Munford High School Graduate, he later started a hobby of home-designing, where he enjoyed the challenge of decluttering and finding older items. He enjoyed sight-seeing alongside creeks and rivers to add toward his arrowhead and artifact collection. Dalton was known for his love of swimming, whether it be at a nearby beach, river, or lake, the water made him happiest. Deb and Guy. Freddie and I just found out about your loss of your grandson. We lost a grandson too. He was only 3 months old, but we were in love with him. Our heart and love and prayers are with all of your family. Another sweet angel in Heaven.
