DAMRIN LEE CHAMBERS THOMAS, AGE 16

Passed away Sunday night April 18, 2021 at Scottish Rite Hospital in Atlanta, GA. He was the oldest of 5 children. Damrin was a great big brother and was the one accepting of all hugs. He had such a contagious smile that would light up the room with happiness, his unrelenting laughter made everyone in earshot fall in love with him. Ever since Damrin was a little boy, he had a love for loud sounds and music. He loved to hear his family laugh and his siblings get in trouble. He spent his younger years attending elementary school, where he was surrounded by teachers that loved him and nurses that cared for him. We believed his favorite part was riding the school bus. Damrin was able to travel some with his family and visited places like the beach, underground caves, The White House and Disney World. Damrin certainly taught his family the true meaning of unconditional love. He will be missed by all that loved him.

“ Sweet Damrin, I can only imagine the beautiful sight when your and Aunt Michelle's souls met again up in Heaven. If you had leave us, then I'm so happy you are with her. You will be missed every single day and I know we are all better people for having you in our lives and that part of you that you left with us will continue to live on here. I bet you got some big bright wings to go with that smile, see you when I get there Doodle!
