Nicole and family;

*We were so sorry to hear of Danny's passing. I always thought the world of him. He was always so good to me and my family. He was good daddy, step daddy, husband to you and great friend. I'm so so sorry for your grief. I know that he was your world and the love of your life! Please feel peace knowing that he is with the Lord now. Make it a point to join him. Sing loud Danny because you were so good at it. God has an awesome voice in his choir now! Love always to you all,
