“ Ms. Karen and Family, I am so sorry to hear of Danny's passing. He was the hardest working man I know. I am so blessed to have known him not only as a coworker but also as a friend. I'll never forget the last time I saw him. I went outside to the back porch of the office and he was standing on top of a house. He smiled and waved and said "hi shell". His presence has been missed so much at work. There will never be another Mr. Danny. We loved him so much! Our thoughts and prayers are with you and your family, Michelle Crawford
