“ There are so many fun, loving memories of Ray, most were when we were in high school, but the memories are scattered throughout the years.

There is one memory that I have that stands out, several years back, at the fairgrounds. The four of us ran into each other, Ray, Wendy, Teddy, and me, we hung out for hours on the camper site. We talked and reminisced about old memories, while making a new memory.

Ray was loved by everyone and will be missed dearly. I was blessed to have had the opportunity to call him my friend. Rest in peace.
