“She Lives in Love”

She did not leave in silence,  
Nor fade without a trace—  
For every life she touched with love  
Still holds her warmth and grace.

In quiet morning sunlight,  
In laughter softly shared,  
In every simple kindness  
You'll find her spirit there.

Her hands were always giving,  
Her heart was strong and true,  
And though we cannot see her now,  
Her love remains with you.

She walks in every memory,  
In stories we recall,  
In every tear and smile we share,  
She's never gone at all.

So do not think of endings,  
Or dwell on loss alone—  
For in the love she gave to us,  
She's found her way back home.
