“ *Peggy and family, I was so saddened to hear your mom's passing. I didn't find out in time to visit with all of you at the funeral home, but know that you are in my thoughts and prayers. Although God has called Ms. Delia home, she will forever be in your hearts as you cherish the memories you have. You will all be in my prayers for the days and months to come. “ I am truly sorry about your loss. When we were in school (a long time ago), we rode the school bus together and I have many wonderful memories of her. Delia and I and Myrtle Lee Sheridan Singleton always sat together on the bus and we always stuck together when trouble arose. From knowing her as a young girl, I know she was a wonderful wife and mother. I'm sorry our paths didn't cross more as we grew older. May your hearts be at peace by knowing she is in a wonderful place. God bless you!
