“ *So very sorry for your loss of Denny. He was a friend to all who knew him. Including our sons, Brannon and Bubba. Just remember funny Denny stories they'd come home and tell from high school. The classes of 97,98 & 99 were a great group of kids, that made us all proud. Love, thoughts and prayers for family and friends 🙏*

“ *We were riding around in his truck, back in high school. I heard Hotel California a million times at parties and other hangouts. But there was something about the bass in his truck speakers that made the song hit a little harder.
