“ I was saddened to hear about Diana's death. I went to High School with her and I considered her to be a good friend. She was a wonderful person, very caring. I especially remembered the slumber parties she held and the warm, buttered cinnamon rolls her mother made for breakfast. What fun we had. My heart breaks for all of you and what you are going through. Just know that God will give you strength if you ask.

“ *Harold and Abby, Diana was a very special person. She was generous, giving to missionaries and always doing "acts of love" for others. Her life was her family and her church. Abby, you were blessed with a wonderful mother who adored you. I was lucky to have known her and work with her. She will be greatly missed but we all know that she is in Heaven with our Lord. God bless your family.*
