“ April 4th 2000 my daughter Taylor was born. That evening Dianne visited us at the hospital bringing me a beautiful bouquet of flowers and my little precious baby girl and beautiful gold necklace with an angel pendant on it. I still have it and think about her every time I see it. I was in the Dollar Store one night about to buy some toothpaste — I ran into her. She said girl don't buy that — come over and I will give you some. I have tons from couponing. I went over and she was so sweet. Another time she baked us a casserole after one of my back surgeries. She was always wanting to help someone. She will surely be missed. I am so sorry for the families loss .
