“ *My parents, Gene and Bea and I send our deepest regrets during this time. I pray that God will lift you up at this time and continue to be with you in the days to come. I was not aware of Mrs. Dollie's passing until I read the newspaper online. Mrs. Dollie was like a second Mom to me and we had many fun times together when I was a youngster. We love you and are keeping you and your family in our prayers.
God Bless You All.*

“ Wayne and I want to offer our sincere sympathy to all of you. We knew W. D. and Dolly well. We were all friends when we were young (many years ago) and I remember you girls and how pretty you were. Your parents were dear friends. We lived away from Franklinton for many years but visited with your mom when I returned. May God comfort you in your loss. I will treasure my memories as I know you will.

Yours in Christ,
Wayne & Sallie
