“ *Sending my condolences to the entire family. None of you may remember me. My parents left the Stateline area when I was about 3, but some of you might remember my older sister, Margaret. Donald and I were played together as little tykes at the dairy barn. I go by the old place sometimes on the way to the cemetery where mother and dad are buried. Margaret and I send our thoughts and prayers during this most difficult time. May God meet your every need in the days ahead.*
