DONALD RAY CRAIN, AGE 71

And a resident of Pine passed away Wednesday morning March 5, 2025 at Fair City Health and Rehab in Franklinton. He was born on January 15, 1954 and had a long career with Asplundh. Early in his service, Donald loved climbing the highest trees before moving to a supervisor position. Most recently, he worked for Waste Management before retiring. Donald had a large coin collection and also collected many baseball cards. He was always quick to help his friends or family in need. You could call him for any little job around the house. “ Donald Ray has been apart of my life since birth, he is my oldest sisters dad, what I love most about him is his goofy sense of humor, my nephew, his grandson Dylan inherited that part from him, so I know that he will live on through Dylan. Donald Ray had a huge heart, he sometimes wasn't everyone's cup of tea but as he might say then I guess you need to start drinking whisky..lol. He loved his family, his daughter, my sister, Nikki, his grandkids, great grandkids and I'll always remember him always smiling. Rip Donald Ray, you and daddy don't be to rowdy up there, although I'm confident daddy was happy to see you! Y'all two definitely are a pair to keep Jesus on his toes! Lol
