“ *I want to say that to my recollection I do not really know this beautiful lady but I just wanted to say how very sorry I am for your sudden and tragic loss. May God wrap his loving and comforting arms around all of her children, family and friends at this most difficult time in all of your lives. I saw a picture of this dear lady in the paper and she was a beautiful lady. Please take comfort in knowing that God loves each of you. May God Bless You all now and in times to come. Take care. Her eyes would light up when she spoke about y'all. Brennan your mom was so excited. About your engagement. She was looking forward to your wedding. We even talked about her being a grandma in the future. She loved all of you dearly. Never forget her love it will be with you forever in your hearts. Donna was one of a kind.
