“ *My thoughts go out to all of you that Donna left behind. I hope that you find peace in the fact that she no longer suffers. She gave this world some amazing children. She will live on in the memories that you all will share in passing when you sit around and talk about the good times you had with her. Take ribbons of her favorite color and wear them in her honor. Deedee, Ricky, Barbi and your children...I love and adore you all! Donna loved angels..so I choose an angel as my image :)*
