“ To all the Baldassaro and Toups families, you are in my thought and prayers! Aunt Dot was a special lady who I talk about to my children. I remember running through her house and my Granny's house when I was a kid. I remember her lectures about boys all while she was sewing away. I have nothing but good memories of her, as I'm sure you do too. She was special, a truly wonderful lady, who will be missed by everyone that ever knew her. 🙏❤️🙏❤️🙏
