“ *To the Family,  
I never met Ms. Dorothy, however, I heard my Mother, Lee Foil,  
mention her name with fondness, several times. Their connection  
was, of course, the Garden Club, and the Fair. Our Prayers are with  
you during this time.

“ *I am saddened. We had some very happy visits with her when Peter  
was small. I am glad that he got to visit with her a few times.  
Although he was very young and has not seen her since she left  
Franklinton he does remember her. Butler*
