“ *Janie: Just learned of your Mother's death. She was a very special lady. Sorry I was not able to attend her service. I had minor surgery yesterday to remove a polyp from my vocal cord and can not talk for one week. I will be thinking of you during this time. Richard*

“ *Dear Jane Marie & Lynn Reed, If I listed all the things she did for her fellow man, I would have a book. She was so good to my daddy and she stayed with a scared little girl when she took a trip to N.O. in an ambulance. The angels will sing in heaven and God will say "Well done my good and faithful servant." LOVE*

“ Jane Marie, I was saddened to read the news that your mom has passed away. The fact that she was ill and her death was anticipated may somehow ease your pain, however, we are never really ready to let a parent go, even though we know what is better for them.
I shall pray that God grants you, Len Reid and your families, understanding, and faith in Him that your mom is spending this Mother's Day in eternal rest with our Lord.
May the Peace of Christ be with all of you.
