“ I regret that I did not know about my cousin's passing in time to attend the wake or funeral, but I very pleased that I got to meet her a few years ago while asking permission of Mr. Earl to hunt relics on his farm on hwy. 25. I also had the honor of meeing Daryl the same day. We are all descendants of Dr. George Washington Varnado, whose house was across from Riverside Medical center for more than 100 years. Dorothy was a kind and honorable lady, and I wish I had been able to attend the service in her honor. May God bless you all and help you remember the good times you enjoyed with her.
