“ *Aunt Jo - Our prayers and love are with you during this difficult time. We will see you soon and please know that we love you very much and hope and pray that you will take care of yourself. Earl loved you very much and our hearts are saddened by his death. He was a very kind, loving man and he held a special place in our hearts. Also, we were saddened to hear about BJ's death. You and the Warren family have been dealt a double whammy but trust in the Lord and he will see you through all this. We love you very much Aunt Jo.*

“ My deepest sympathy! Rev. Warren married myself and my husband back in 1979. He was my pastor at Thomas First Baptist Church as long as he was there. He was such a good friend to me then and even after my marriage. We will surely miss him!
