“ Dianne & family from Jeff Vogt, So so sorry for your loss. Dr Jerry was an excellent athlete, I enjoyed playing Basketball with him, way back for Coach Deas at Thomas High School and watching him achieve all that he had since then including his leadership as a member of the La House of Representatives and a Physician always looking out for our Thomas community. By far the most prolific individual and outstanding man in our Thomas History. I will miss my cousin and his accomplishments in our Hometown.
