“ Dear Dot and family, I am so very sorry to hear the news about Dustin. This really hurts, he like the rest of ya'll are special to me. I'm not in a position to be there for you right now, but my thoughts and prayers are with you always. I've started a new job and have moved away for a while. Please remember, I'm with you in sharing this loss. I loved him too. Lots of memories will remain in my heart always. Love Barbara
