“*Ms. Edith was a wonderful person to be around. My family and I attended church with her for many years. She was a wonderful Christian lady that always had words of wisdom to share with others for almost any situation. To each of the family, I can only say this "Although your hearts are no doubt broken, you can certainly rest assured that when she closed her eyes in this world for the last time...she opened them in Heaven for eternity! She would not want you to worry or grieve yourself over her loss, but to rather make sure that you are ready to go be with her again!"*
