“ *My sincere sympathy to the family. I am a high school classmate of Edmand's and we sang together for four years in high school quartet, played trombone in the band, sang in the youth choir at FBC, Brandon, Mississippi was excellent in all he undertook and a man of character as I knew him.*

“ *My heart is heavy today at the news of Edmand's passing--not for him, but for those left behind. I'm sure that today his mother, father, sister, and brother are rejoicing at his homecoming. I'm also sure that the Lord Jesus Christ is welcoming his son into his heavenly home.*

During this time of loss for you, his family, may the love of friends give you comfort; may the love of God give you peace.
