“ *To the Thomas Family: We have so many good memories of your mother. We loved going to all the sporting events and seeing the enthusiasm of your mom and dad. They were dedicated sports fans of Pine High School for many years. All of you were her pride and joy. Any time I saw her, she was first concerned about my family, but then she always had news about her family. You will be in our thoughts and prayers in the days ahead. God is able to give you the strength you need to get through this difficult time.*
