

Elaine Magee Husser

December 29, 1937 - May 22, 2023

LAURA ELAINE MAGEE HUSSER, AGE 85

And a longtime resident of the Canaan Community passed away early Monday morning May 22, 2023 at Riverside Medical Center. She was currently a resident of Good Samaritan Living Center, where she met many new friends and even connected with some old ones. Elaine was a loving wife to her husband Huey Seal Husser for over 50 years and a devoted mother to her children. She worked alongside her family on their dairy farm for many years. Elaine worked as an LPN up until starting her family and she drove a school bus for Valley Forge School. She was a homemaker who always had food cooking, ready for anyone that stopped by to visit. Elaine took an active role in membership at Fisher Methodist Church, Sunlight Baptist Church and Canaan Baptist Church. She enjoyed listening to Bluegrass music and her favorite gospel hymns. She was known as Aunt Elaine to most people but she was family to all because she was always able to visit with anyone that needed a listening ear. Elaine would budget her money, making sure to have cards and cash in envelopes for her children and grandchildren.

“ Elaine and I were cousins. I remember the lovely meal she had for my Mother and me when we were visiting Franklinton years ago. It was a delicious feast including fresh fish they'd caught themselves. It was a wonderful day and a highlight of our trip.

“ Chanda is one of my dearest childhood friends. I loved her and her family...Tammy, Clint, Shane, Mr. Huey and Mrs Elaine always treated me like I was part of the Husser Family. Mrs Elaine was the ultimate Proverbs 31 lady and was the kindest soul. She was a caregiver...most loving and supportive mother and wife. Her faith was like a gentle kiss...always softly moving you towards Christ... and her and Mr Huey's influence on their children have saved more souls and helped peoples faith walk than I can even imagine...What a beautiful legacy to leave on this earth! Prayers and love to the Husser family. Tamara Sabiston Kennedy

“ The first thing that comes to mind thinking of Mrs Elaine and Mr Huey was them sitting by the fence at BGS football games. I always stopped and talked with them. They were as down-to-earth as they come. Mr Huey always made me laugh! I know Mr Huey had a big smile on his face when they reunited ❤️
