ELISE HOPE HEY ANTOON, AGE 53

And a resident of Mt. Hermon died at 4:15 pm Saturday June 6, 2015 at her home. She was a native and former longtime resident of Houston, Texas where she graduated from Spring High School in 1979. Elise graduated from Sam Houston State University with a degree in education then became a Kindergarten and Pre-K teacher for the Spring Independent School District. She also lived in and taught for many years in the East Baton Rouge Parish School System at Magnolia Woods Elementary School. Elise had a true passion for children and teaching. “ *Elise was my son's first kindergarten teacher. She was such a sweet and kind soul. I was so surprised to receive a message from her 23 years later stating she was going through pictures and found a couple of Ryan that she thought I'd like to have. I just couldn't believe that after so many years and countless students from then to now that she not only remembered Ryan, but actually remembered me too! I will never forget her sweet smile and I know she will be missed by many. May she rest peacefully in the strong arms of our Lord and may her family and those close to her find peace and comfort in him.*

“ Elise was one the most beautiful, kind souls I have ever met. Every time we came down from N.C. to Baton Rouge to see family, Elise & Jimmy were always the highlight of the entire trip. We could have spent the entire time down at the camp with them, and been happy, Happy, that's how she made people feel, wasn't it? I want to be angry at something, to lash out over what could be construed as so unfair, a series of events that should be reviled, but I can't. I can't because I know how very lucky I was to have been given the gift of being in Elise' extended family, How fortunate I was to have been able to spend the time I had with her. So instead, I'll pray for her, for Jimmy, & for the rest of her family, in hopes that we all find a way to move on, and carry her memory in our hearts, where she will continue to brighten our souls.
