“ For Emma's family: I am so sorry for your loss. I used to practically live with her when her Dad lived with her during the week. Her Dad would go home on the weekend. she and I never got in trouble, but we had loads of fun. We would get in the car and ride all over town. She was a lot of fun and we got along great. As long as I remember, we never got mad at each other about anything. We had a lot in common and I think that worked to our advantage. We lost track after both getting married and had children, but I made contact a few years ago after she retired, then lost my husband, so lost contact with her again. She was a great cook, a great friend and I have nothing but loving memories of her. I will miss her.

“ I worked with Ms Emma for many years at DDS. She was always good for a laugh every day. We enjoyed many discussions of life around Franklinton, where my father grew up and Bogalusa, where my mother grew up. She will be missed.

“ *OMG, You could not wait any longer for me to get there. I am so sorry, but so many things have happened, and she told me on Monday, she thought she a little better, but was afraid she was slowly slipping away. I know she is at Peace now, but I will miss her so much.*

“ *I loved Emma like she was my mom. Me and SueEllen used to stay in trouble in high school and Emma would reprimand us but we were still bad. Dear Sue Ellen and Katie... I know your hurting and nothing will heal that pain... not even time. Love you girls... I'm here if you need anything.*
