“ Barbara Ann, I was saddened to read this obituary, and find that this was your sister in that horrific accident. There is just no way to prepare your heart for something so sudden and painful. I can only pray that you, Georgia, Daniel, the other siblings, and her family, have many memories to sustain you through the years. I'm sure you do, and I will pray that they envelope all of you. May the peace of Christ be with you all...
