“ I was so sorry to hear Mr. Faxon passed away. Mr. Faxon tested milk for my dad, Leon Hickman, when we were milking cows. I believe he loved to come so he could spend the afternoon teasing me! He also loved to eat Mom's hot biscuits after we finished our work. In fact, he came out to my parents home a year or so ago and ate breakfast with us. He wanted some of Mom's biscuits. He will be greatly missed. God bless you and your family. You will all be in my thoughts and prayers in the coming days.
