“ *Marsha and Connie, I will never forget the way you and your Mom made me feel like part of the family. I still eat the "soakie soc" but it will never be as good as she made. I always think of yall when I eat some. I miss seeing yall and I know Miss Floy will be sadly missed.*

“ Please accept my sincere condolences for the loss of your dear mother. I admired your mother. I'll always remember the night I made the cattle haul with her to north Baton Rouge and the wheel of the truck fell off on the way home. Just one of the many fond memories I cherish.

Please take your own memories of your mother and hold them close to your heart and she'll never be far away. Your in my thoughts and prayers.
