“ 102 years old! What a lot of years of life. Did you know that it was God's purpose for Mrs Riley, to live longer? Recall that if Adam and Eve would have remained obedient (Genesis 2:17) They along with their offspring would have lived forever. Did their disobedience bring God's original purpose to a complete stop? The God of Love would not let that happen. Because of that Quality, (LOVE Met with Justice) It is not surpricing that God still holds out the promise of paradise on earth. In it, God will bless mankind with everlasting life. Harmony and peace will prevail. Pain and suffering will be gone. And people will be able to enjoy to the full the natural wonders of plant earth.-Isaiah 65:21-23. “ I was her meal aide for many years & after talking with her found out she was related to my mother. We talked about a lot of family history!! She was such a sweet kind, God loving woman. I bought your yellow rose to the funeral home today as you requested many years ago--put 1 yellow rose in my coffin to go with me. Love you still Ms. Frances.
