“ Frances and her family lived down the street from our family home. She was a good friend of my sister, Dorothy Reese Morrison (Dot). They played basketball together on the girls high school team that I believe had winning record. I know Frances will be missed by her family and friends. My sincere condolences.

“ First of all you have my deepest sympathy for the loss of your mother. I didn't know her, but I went to school with Terry and was fond of him, and knew Pat. I lost my mother several years ago and my husband a couple of years ago. I know your hearts are broken. I pray that you have faith in Jesus Christ, he will comfort you and give peace to you.
