“ Dear Mrs. Grace,
I am so deeply sorry for your loss. He will be greatly missed by so many people, none more than you. I am so sorry that I did not get to make it back to tell you how much you and Mr. Fred mean to me and my family. Mr. Fred became such a special friend to dad and their friendship is something he valued greatly.
I remember when we moved to Pine. I was so happy that there were such nice folks to have as neighbors. Clinton had become my very first friend when I went to school.
You don't need to be of the same blood to be family. You will always be family to us. Again, I am so sorry that I was not there, but my prayers have been with you for a long time.
Love, LANA
