“ Jeanette, Delores and Tommie Lou, (and all the family) Please know how much I enjoyed talking to your Mom and Dad at the Fair over the years. The last time I talked to them was the year before your Dad died-they were sitting in front of the Big Kitchen on the benches.....I can still see them. They were a happy couples with lots of love to give to their family. They are together in heaven and the angels are singing. My prayers are with you.....Kaye
