“ So sorry to hear about the loss of Miss Freida. Someone I remember so long ago when you and I Carolyn, were little girls living in Hays Creek Community. You and your family have been blessed to have had her so long, but it is never easy to give up a mother! May you and your family feel the presence of the Lord during this most difficult time.

*With our most sincere and deepest sympathy.*

“ One of my grandmother's sweetest friends. She always made it a point to share a special homemade gift with me as a small child and young adult. Some I still cherish. Such sweet thoughts of this lady. In heaven among the angels.
