“ *The passing of another pillar of the community. He was a kind and caring man. I know that my cousin, Danny Alford, had so much affection and respect for the Brown family. May the wonderful memories of his years with each of you give you solace. And, may the peace of Christ Jesus be with each of you always and forever.* ”

“ I am so sadden to learn of Mr. George's passing. He supported and encouraged me as I began SLU to complete my BA and MEd. He and "Miss" Eleanor were like a second set of parents in many ways. They will be remembered for the many kind and generous gifts they bestowed on many young adults and friends.

“ I spent 1963-64 in Mr. Brown's science class and enjoyed every day. Science was my favorite subject and Mr. Brown was my favorite teacher. I still remember the metric system that we had to learn. There are lots of great memories and one very bad one.
