“ I am so sorry for your loss. Despite the heartbreak of loosing a loved one, God provides a possitive future to look forward to. Recall if Adam and Eve would have remained obedient, (Genesis 2:17) they along with their offspring would have remained here on earth forever. Did Adam and Eve put a Halt to Gods original purpose? Since God is Love, It is not suspricing, then, that the Bible holds out the promise of Paradise on earth. In it, God will bless mankind with everlasting life. Harmoony and peace will prevail. Pain and suffering will be gone. And people will be able to enjoy to the full the natural wonders of planet earth.-Isaiah 65:13. www.jw.org
