“ *Dear Pam,*

Even though it has been many years since we have seen each other, I want you to know how sorry I am about your Mama. I hope you know how special your family was to the people who grew up near you. I have so many happy memories of hanging out at "Pam's house" in the summertime when we were kids. You were like a rock star to us "younger" neighborhood kids, and Miss Gladys and your Grandma were always so sweet to all us groupies...and we could always get something cool to drink in their kitchen. You were very fortunate to grow up in such a loving environment, and you showed us the same love and kindness. Thank you for being so great to us, and I hope our mamas are having coffee together in heaven!

“ Ms. Gladys was a 'second mother' to me for several years I spent as much time with Pam, Ms. Gladys and Ms. Creel, and later, Jerry, after he and Ms. Gladys married, as I spent at my house. LOL I loved staying there...Ms. Gladys was so patient and so kind...And, Pam's grandmother, Ms. Creel, was even MORE patient and kind...Pam was the only child at that time and I loved riding her 'only child' coat tails ...LOL ... I got spoiled, too! I received my driver's license before Pam..(birthday in January)...and Ms. Gladys allowed me to DRIVER HER CAR! I was terrified...but... she trusted me...sooooo. I so loved that woman, and always thought of her from time to time... what a wonderful person she was... what a wonderful 'second mother' she was to me in my grammar school years.

Dearest Pam, I will be forever grateful to you for allowing me to be in your family during those years you and I were inseparable. I know you know that your mother is resting in peace in the arms of Jesus, so may God bless and comfort you, and your family. I love you, too, girl. Hugs and love....
