John 4:1 I have no greater joy than to hear my children walk in truth.

Psalm 23: The Lord is my shepherd, I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the path of righteousness for His name sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou prepares a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

Christians were meant to suffer and have bad things happen to families just because they are loyal believers of Gods words. So others can see how Christians can confront and survive world conflicts and family crises by relying on GOD each time to bring them through. She relied on GOD to bring her through such challenges. When we are faced with hard times, we should never give up hope and remember that god is always in control and has a purpose for everything.
