“ Gordon was my step-dad for over 30 years. I was blessed to have a second father that genuinely cared about me. I will miss calling his and mama’s house and saying “hey,” to which he always replied, “hay is for horses and you look more like a donkey than I do.” He had a repository of one-liners that always made me laugh. Gordon did not have a lazy bone in his body, and this was reflected in his final days on Earth, Gordon, thank you for taking such good care of my mom and being the best step-dad I could have asked for. I love you and will miss you.
