CHEYENNE GRACIE HOLLOMAN, AGE 3

And the daughter of Tasha and Richard Penton of Pine went to be with Jesus early Tuesday morning December 2, 2014 at Children's Hospital in New Orleans. Gracie dealt with a rare genetic disorder her entire life, but she always wore a smile and had a unique personality that touched everyone she knew. She was always a fighter throughout her many treatments and was polite to the medical staff despite the pain she may have endured, as long as she could watch her favorite Sponge Bob Squarepants programs and videos. Gracie and her family received a lot of support from the community during her illness and they wish to thank Trinity Baptist Church, as well as Bogue Chitto Baptist Church and the countless others who helped in any way during these difficult times. Though she only lived on Earth a short time, Gracie gave us memories to last a lifetime and she will be sadly missed by all her family and friends.
