“ Oh, What suffering, Adam and Eve put on the Human race. Recall if they would have remained obedient to God, they along with their offspring would not have suffered sickness and death. Did the God of Love, allow two mere humans bring his original purpose to a complete stop? With him being a God Love and Justice, It is not surpricing, then, that the Bible holds out the promise o paradise on earth. In it God will bless mankind with everlasting life. Harmony and peace will prevail. Pain and suffering will be gone. And people will be able to enjoy to the full the natural wonders of planet earth.-
Isaiah 6:21-23.
