“ May God bless your family. Our prayers are with you at this time. You were so blessed to have been trusted with such a beautiful and precious Angel. “ I am Allie Sharps aunt (Nathan's great aunt) Although I did not know your daughter, I love Gary and I know that Hannah had to have been your angel. I can not say I know what you are going through, but I do know that God will comfort you and your family. Just remember that Hannah has her wings and is in Heaven with God to protect her. My prayers are with you and your family. God Bless You
