

## Harold Campbell, Jr.

July 1, 1957 - October 3, 2018

HAROLD WILLIAM JOSEPH CAMPBELL, JR., AGE 61

And a resident of Mt. Hermon died Wednesday morning October 3, 2018 at his home. At some point in our lives, we question our purpose. To us, Harold's purpose was no mystery. He taught us how to love. Through his example, our lives are better lived. We learned that hard work and open arms will pay off in the end.

He was a native of New Orleans, former resident of St. Tammany Parish and had lived in Mt. Hermon since 2003. Harold was a Master Carpenter by trade and was well known for doing pristine work. He had been involved with the remodeling of many historic houses throughout the French Quarter and was known to make exquisite crown molding over doorways and other areas of hotels or businesses. He could build just about any gorgeous item because he always loved his woodworking. Recently, Harold worked alongside his son for Passman's EVT Services as a fire department equipment tester. He was a former member of First Baptist Church of Covington, a former member of Mt. Hermon Baptist Church, where he proudly taught the Senior Adult Men's Sunday school class for many years and rang the call-to-worship bell. Harold was a current member of First Baptist Church of Franklinton and recently had attended Mt. Pisgah Baptist Church near his home. When not working, he enjoyed camping in the RV, fishing and taking care of his animals. Harold was

also talented when arranging his favorite beautiful flowers. He was always a loving husband and father and he cherished the time spent with his grandchildren.

“ Rest in peace Harold. You will be missed. You took care of a VERY Sick woman for twenty years and never once complained. You were an angel. You never tired, complained, whined, or begged for pity. You're life was cut way too short. You wanted to fight, sadly it was inevitable.

For Ellen? She didn't take care of him. She wore a white dress to his funeral, and refused his pain pills... Watching him die. But sure... Prayers for Ellen

“ *Harold was not only an excellent carpenter. He was excellent in everything he did. A true perfectionist, his skill and aptitude was built-in, natural and honed to perfection. He worked on our behalves in our remodeling of our home, and also on a true Victorian home, "the Cone House" on 10th avenue. What a nice person and honest man he was. Mrs. Ellen and his entire family lost a very fine man. He will be sorely missed by all.*

“ Harold was a Good Man and My Friend..Its hard to believe we were working together back in April and May on a job ..We had a good time working and would joke around alot .We laughed hard many days....I would see Harold often as we had driveways right across from each other ..When we would mow grass we would pass by each other and tip our hats to each other..We joked about out doing each other trying to keep our yards cut.....I told him "My neighbor (him) keeps cutting his yard all nice so I have to cut mine to keep up"....Harold was a good woodworker and took great pride in his work.When I saw him a few weeks back we walked in his driveway I was bringing him some wood strips he wanted for a project he wanted to do to keep his mind occupied instead of sitting around..I will finish it for you Harold and make it pretty.....Harold was a Great Person,Husband,Father,and Grandfather . He loved his Family and Bragged on them often.....We are already missing you Harold and will continue to do so...I am proud to call you my Friend ...Rest in Piece my Friend....
