“ My heart, thoughts and prayers go out to the entire Luper family in their time of sorrow. At one time I was very close to you all and consider you family and I loved Mr Harold as a father. He will be greatly missed! He was a great man with a big heart! There wasn't anything he would do for his family. I understand the heartache and pain of losing your dad, but be at peace knowing he is no longer in pain. Love The Rider/Spears Family
