“ *What matters is not the duration of your life, but the donation of it. Not how long you live, but how you lived. Earth is not our final home; we were created for something much better. What is seen on earth is temporary, but what is unseen is eternal. In death we do not leave home but we go home. We did not know Mr. Oswald but we know his son's (known as Big Oz & Lil' Oz at Angola)and we know that as a parent we demonstrate a respect & love for each other so that our children can imitate such. Knowing his son's this says everything about the kind of Father he must have been. God Bless you all, Kenny & CC*

“ Coo, Jan and I were saddened by the news of Harold's passing. My best memory with him was playing golf in Franklinton with Harold, you and Charlie. I also remember buying beer out of a vending machine in the pro shop after the round to talk about our score and tell lies as golfers do. My God protect you and your family. We miss you and always enjoy hearing from you. If you travel to Atlanta always remember you have a place here in Peachtree City. We pray for Harold and your family. Take care of yourself. Scott, Jan, Mallory & Jordan Ambrose. We love You!!
